# Jondaryan Journal

**Principal's Pen Points:**

**Term: 3**

**Week: 8**

**1<sup>st</sup> September, 2017**

Only 10 days left of term 3! This term has flown by! We have had another busy fortnight at Jondaryan!

Last week our students participated in Book Week. They celebrated their love of reading by dressing up as a book character. We had some very imaginative costumes this year with everyone participating. It was great to see the hard work and effort that had been put in by students and their families. It was a lovely morning.

This week Harmony Lewis, Holly Baartz and Jack Wilson travelled in to Toowoomba to participate in the Darling Downs Athletics trials. These students competed against the best from across the Toowoomba and Darling Downs! We are incredibly proud of these three students, they have each put in a huge effort and have been practicing since the beginning of the school year. Congratulations Harmony, Holly and Jack, we can wait to see you compete again next year!

On Thursday the years three to six students participated in the Quinalow Netball carnival. It was a great day with our students showing excellent sportsmanship and team work. Our students did a wonderful job and played multiple games throughout the day. Thank you to Miss McCosker and Mrs Lawler for the effort they have put in to coach our students. They have showed some real improvement in their netball skills.

Tonight we will be having MOVIE NIGHT at school! The night will run from 5:30pm to 7:30pm and includes dinner, an ice cream and a drink. Students are asked to wear their pyjamas and bring a pillow and get set for an entertaining and fun night.

On Wednesday next week our Prep, 1 and 2 students will be travelling to Kulpi State School for Under 8's day celebrations "*From Country to Coast*". Activities start at 9:00am. Parents are welcome to attend this day and we would encourage those with pre-school aged children to bring them along and share in the celebrations! Activities conclude at 11.00am but we have been invited to stay for lunch. Please pack your child lunch for the day, so they can stay and eat with their new friends. After lunch students will need to be collected and returned to our school for the remainder of the day.

In our last newsletter we mentioned that our whole school camp is coming up in term 4. The dates for camp are the 12<sup>th</sup> and 13<sup>th</sup> of October, the following Monday is a student free day. This gives our students 3 days to recover. Camp will be held at the Columboola Environmental Education camp near Miles. Students will participate in a number of activities including orienteering, team building and astronomy. Columboola is run by Environmental Ed teachers much like Tallebudgera. Attached to this newsletter is an invoice for the camp, if you would like to start paying off the camp using bpoint, you can start now! As mentioned before, this is a whole school camp and students from prep to year 6 will be participating. It is going to be a fantastic trip!

I would like to conclude our newsletter by thanking our wonderful teacher aides and office staff who do an amazing job at our school! We would not be able to function without them. They are a huge part of what makes Jondaryan such a great school. Happy teacher aide day to these wonderful people. We love you Mrs Voll, Mrs Gale, Miss G, Miss McCosker and Mrs Grundy!
