

# Investing for Success

## Under this agreement for 2017 Jondaryan State School will receive

**\$21,385\***

### This funding will be used to

- Ensure that all year 3 and 5 students are at or above National Minimum Standard for Writing in NAPLAN.
- Ensure that 70% of all students achieve a c or above in English by Semester 2, in the area of writing.
- Upskill all staff in the area of teaching writing by providing Professional development.
- Provide time for collaboration and development of a targeted evidence based writing program.
- Increase the number of students in the upper 2 bands in Writing to 25% in the 2016 NAPLAN test.

### Our initiatives include

- Employing an extra teacher aide one day each week to support small group during writing lessons in class.
- Employing a teacher to provide targeted, small group writing lessons focusing on writing skills and strategies.
- Developing a targeted evidence based writing program to be delivered in small ability based grouping to facilitate writing development scaffolded to different student's needs.
- Using a variety of different Writing resources and strategies including professional learning, programs and technology based resources to support the teaching and learning of writing.
- Embedding a PLC culture focused on researching, discussing and applying writing pedagogy.

### Our school will improve student outcomes by

Employing a skilled teacher to provide small group, targeted writing lessons with a focus on building students skills and strategies.	\$ 12,000
Providing professional development for staff in the area of writing, such as Module 7 training, Seven Steps in Writing, NAPLAN Marking etc.	\$ 5,500
Employing an experienced teacher aide one day each week to further support students during writing.	\$ 4,000

\* Funding amount estimated on 2016 data. Actual funding will be determined after 2017 enrolment data are finalised.

# Investing for Success

Analysing student data, (Literacy Continua, NAPLAN, English A to E) to develop targeted writing lessons to facilitate progress.	
Explicitly teaching writing skills strategies throughout the school, in line with our targeted writing program.	
Working with STLAN to develop evidence based plans for students at risk of not meeting National Minimum Standard.	
Working with STLAN to develop targeted evidence based writing program.
